INTRODUCTION

3

We have pleasure to introducing **Shri Ram Geo Solution** as one of the consultancy company dealing with the work of Survey, Topographical Survey, Geo-technical, Geological, Geo-physical investigation and consultancy for infrastructure projects. Shri Ram Geo Solution was founded since 2017 and registered in March 2022. Our specialized in Geo-technical investigation; in-situ testing; laboratory testing for soil, rock and concrete; geological, geophysical surveys and land surveying; road and railway quality control works; foundation analysis and consulting Geo-technical engineering. Shri Ram Geo Solution is well organized by highly motivated professionals either who possess international experience to supply consistently accurate Geo-technical information to the industry or who can lead the site management, skillful and handle the various laboratory testing, reporting and so on.

Shri Ram Geo Solution is an **ISO 9001:2015** certified company and certified as MICRO enterprise in services activity from **MSME** (Ministry of Micro, Small and Medium Enterprises) also.

Our Company was established by highly experienced staff of Geo-technical engineers, geologist and technicians. Our experience and technical resources combine to produce cost-effective Geo-technical and engineering solutions. Highest quality services and consulting with the customers for the most suitable system and solution are provided our clients by our company.

MISSION STATEMENT

- To provide true professional and essential value for clients
- To be standardized nationwide and worldwide as specialist contractor of Geo-technical engineering
- To serve quality functional and timely project

CORE VALUES

- Professional ethics
- Knowledge sharing
- Total quality of Management
- Rewarding environment to our staff
- Cost-effective solutions
- Strong Client relationships

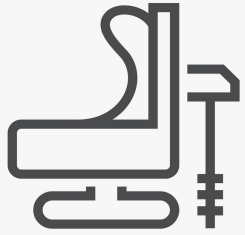

VISION STATEMENT

5

“ BUSINESS OPPORTUNITIES ARE LIKE BUSES. THERE'S ALWAYS ANOTHER ONE COMING. ”

Richard Branson

- To perform precision work and respecting Indian and international standards
- To become the leading Geo-technical company in India
- To develop the highest technology of Geo-technical engineering

MEET OUR TEAM

KHUSHI SHARMA

Position: Managing Director

Highest Degree: M.A. (Hons.)
Geography, Ambedkar
University, Agra

Experience: 6 Years in the Geo-
technical & GIS Field.

MANOJ SHARMA

Position: Chief Manager

Highest Degree: M.Sc. (Hons.)
Geology, M.S. University,
Gujarat

Experience: 12 Years in the
Geological and Geo-technical
Field.

VICKY PRADHAN

Position: Sr. Manager

Highest Degree: M.Tech.
(Civil), KIST

Experience: 8 Years in the
Geo-technical Field.

ANUPAM DAS

Position: Manager (C&P)

Highest Degree: MBA,
Kolkata University

Experience: 7 Years in the
Marketing.

OUR SERVICES

7

SOIL BORING & ROCK CORING

- Drilling in Soil & Rock
- Standard Penetration Test (SPT)
- Soil Sampling & Soil Classification

REPORT SERVICES

- Foundation Analysis and Design
- Geo-technical Investigation Services
- Geological and Geophysical surveys
- Topographic Surveying
- Geo-technical Instrumentation

FIELD IN-SITU TESTING SERVICES

- [In-situ field density test](#)
- [Field CBR Test](#)
- [Plate Load test](#)
- [Dynamic cone penetration test](#)
- [Pile Foundation & Design](#)
- [Earth Resistivity Test](#)
- [Soil Stratification Test](#)

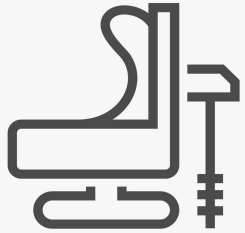

CONT...

LABORATORY TESTING SERVICES

- Moisture content test
- Density test
- Specific gravity test
- Permeability test
- Liquid limit test
- Plastic limit test
- Shrinkage test
- Linear shrinkage test
- Sieve analysis
- Hydrometer test
- Compaction test
- Unconfined compression test
- Triaxial test
- Direct shear test
- California bearing ratio test
- Consolidation test and so on...
- Concrete Compression test

CONSULTANCY SERVICES

- Consultancy Services for slope stability analysis and erosion control
- Consultancy Services for Geo-technical and Foundation Engineering
- Geological Consulting
- Pavement/ Subgrade investigation and quality control test for road, highway, railways, etc.
- Irrigation Consulting
- Geo-Physical Consulting

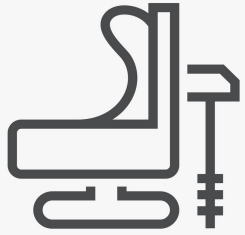

SUMMARY

Shri Ram Geo Solution is committed to establishing and maintaining high standards of integrity, fair dealing and the provision of a quality service to our customers and clients which meets their reasonable expectations.

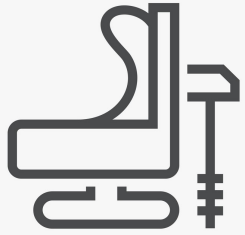

We are committed to provide high quality and reliable Geo-technical information for the purpose structures as well as which is contain certain basic essential information, including Summary of all subsurface exploration data, including subsurface soil profile, exploration logs, laboratory or in-situ test results, and ground water information, Interpretation and analysis of the subsurface data, Specific engineering recommendations for design and Discussion of conditions for solution of anticipated problems.

As our MD says, "Efficiencies will come from proactively transforming how we do business."

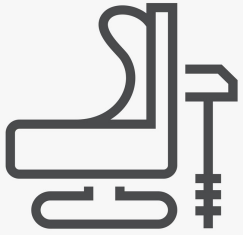

OUR PROJECTS

1. GeoTechnical Investigation work for New Dedicated Freight Corridor of East Coast Railway Corridor - Bhadrak to Hijli in Odisha - **Rs. 16,28,562.00/-**
2. GeoTechnical Investigation work for New Dedicated Freight Corridor of East Coast Railway Corridor - Athagarh to Bhadrak in Odisha - **Rs. 44,94,692.00/-**
3. GeoTechnical Investigation work for New Dedicated Freight Corridor of East Coast Railway Corridor - Athagarh to Brahmapur in Odisha - **Rs. 10,07,188.00/-**
4. GeoTechnical Investigation work with Scour Depth Calculations Works to be done at banks of Gnalra River, Dist-Dhenkanal, Odisha Taurant Projects Ltd. - **Rs. 2,22,135.00/-**
5. Geotechnical Investigation Work of Nala, Canal and SV Station including the Foundation Calculations for Gas Pipeline, Dist- Cooch Bihar, West Bengal- **Rs. 1,67,206.00/-**
6. Geo-technical Investigation to examine the soil strata for Jatni-Bhubaneswar ATF Pipeline Project inside the Operational area of Bhubaneswar Airport and rerouted portion outside the Airport, IOCL Dist- Bhubaneswar, Odisha- **Rs. 73,160.00/-**
7. Mega Lift Irrigation Project Cluster-XXI (3244):- Soil Investigation work in Banki, Bhagipur, Talabasta, Baideswar I & II including Reports, Odisha, MEIL- **Rs. 1,74,400.00/-**

CONT...

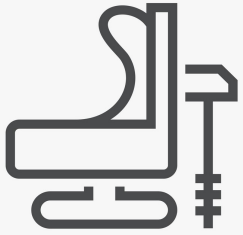

8. GeoTechnical Investigation work for Composite Works at Karwar Naval Base, Corrttech Energy Limited, Karnataka - **Rs. 2,60,000.00/-**
9. GeoTechnical Investigation work for Proposed Pipeline from Existing RCP-05 (PRRPL) TO MERAMANDALI CUF, IOCL, Dhenkanal Odisha- **Rs. 6,53,375.00/-**
10. Geo-Technical Work in Hazaribagh-Ranchi for proposed Hazaribagh-Ranchi Natural Gas Pipeline, Ranchi, Jharkhand, IOCL- **Rs. 25,06,400.00/-**
11. Geo-Technical Work in Panipat-Jalandhar LPG Pipeline (PJPL) From Jalandhar to Goindwal Sahib Bottling Plant, Jalandhar, Punjab, IOCL- **Rs. 27,19,546.00/-**
12. GeoTechnical Investigation work including ERT and Trial Pit for Proposed Pipeline from Paradip to Numaligarh Pipeline Part-D, Assam Ace Pipeline Contracts Pvt. Ltd. - **Rs. 1,05,79,541.00/-**
13. GeoTechnical Investigation work for Micro Tunneling work in Guruphela and Beki River from Paradip to Numaligarh Pipeline , Assam Ace Energy Infrastructure Pvt. Ltd. - **Rs. 8,96,800.00/-**
14. GeoTechnical Investigation work for Rivers and Nalas for HDD Work at SNPA Project, Darrang , Assam Kalpataru Projects International Limited - **Rs. 36,06,257.00/-**

CONT...

15. GeoTechnical Investigation work for Rivers and Nalas for HDD Work at SNPA Project Part-B, NRL/EIL Assam Corrtch International Limited - **Rs. 16,21,320.00/-**

16. GeoTechnical Investigation work for Rivers and Nalas for HDD Work and SV/IP Station at NEGG Project Part-7, IGGL/MECON Assam, Tripura and Mizoram State, Corrtch International Limited - **Rs. 17,70,000.00/-**
